## Interest Groups Guide Book

### Welcome Aboard

*'A ship in port is safe, but that is not what ships are  
for,  
Sail out to sea and do new things'*

(Rear admiral Dr Grace Hopper, computer scientist)

#### Monthly Meetings:

\* Monthly meetings of the Epsom U3A are held at Royal Oak Bowls, 146 Selwyn Street, Onehunga, on the second Thursday of each month, from 10am-12.00. Meetings include interesting speakers and morning tea, with a chance to socialise and meet new people.

\* Parking is available on site, or in the street. The Number 30 Onehunga Bus via Manukau Rd, will drop you off in Trafalgar St, near Inkerman St, leaving just a short walk to the venue. Disabled access is easy.

#### Epsom U3A's Interest Groups

The University of the Third age (U3A) began at the University of Toulouse in France in 1972 and rapidly spread worldwide. It now has thousands of members. In NZ it began in 1989 and is called U3A to differentiate it from degree-granting universities, which it is not.

Initially U3A NZ followed the Toulouse model which recognised the huge pool of brain power, knowledge and experiences held by retired people and ran lectures based on various topics.

Cambridge University in the UK then encouraged people to actively participate in selecting topics, researching, planning and presenting information, as they believed this promotes increased personal learning, confidence and enjoyment by being involved in reading, researching discussion and field trips.

*Building on from this philosophy, U3A Epsom has developed interest groups which are the lifeblood of U3A.*

Each group is led by a Convenor or Convenors. Groups meet regularly (This can be weekly or once or twice each month, depending on the group) See enclosed current timetable.

A typical group has 5-15 members but some have up to 30 enthusiasts.

**Venues** are usually members' homes, in the community, or at retirement villages.

There is no set timescale for each group to operate. If the topic is very specific it may run for 3-4 sessions, then disband.

Alternatively, an active interest group can run for many years.

Currently Epsom U3A, which formed in 1989, has 26 Interest Groups several of which have been operating for many years.

**Epsom U3A encourages members to join at least one, if not more groups.** Some members belong to several. Each group operates as its members wish and there is no special format.

**The Interest Group Coordinator** from the committee, provides support and guidance to the convenor of each interest group. The

convenors will email members prior to the meetings to remind them of dates, times, trips etc or to clarify who is speaking/presenting or bringing any refreshments.

**Please phone the Interest Group Convenor or the Interest Group Coordinator** prior to joining, to determine the location, time, format of the group and any special needs/equipment you may need to take.

. If you are unsure if the group may be exactly what you are looking for, ask the Convenor if you could sit in on a meeting.

Each February we suggest you confirm your membership of the group/s you belong to, with the Coordinator or the Convenor.

*Lists will be placed out on tables at the February and March main meetings.*

Note: Details of phone and email contacts for convenors and the Interest Group Co-ordinator are on the newsletters and on our website.

**The Interest Group co-ordinator has the data projector at home.**

If you wish to use it for a presentation, please phone or email a couple of days prior, to arrange when to pick it up or drop it back after your meeting.

**Please inform the membership secretary of any changes** in email addresses or phone contact numbers. We would prefer mobile numbers so convenors can text or email their members.

# Interest Groups 2024

## Appreciating the Performing Arts

Convenor: Shirin Caldwell

Phone : 630 1662

Email: shirincaldwell@gmail.com

Meeting time: 10.00 – 12.00

Meeting Day: 4th Friday of the month.

Venue: Either at 39 Marsden Avenue Mt Eden **OR** at 2/441 Dominion Rd Mt Eden.

The convenor will let the Group know of the venue each month.

Usually as a group, members attend plays, including the Auckland Theatre Company and Silo Theatre productions, National Theatre simultaneous live streaming at either the Rialto or the Academy, and notable films. We also go to a number of the Auckland Festival productions. Some members attend NZSO or Auckland Philharmonia or NZ Chamber Music concerts, although these are booked separately by members.

At the monthly meeting, each person discusses a particular event they have seen that has entranced them (or not) and why. Other group members who have also seen or heard the same production then comment. The idea is that everyone has an opportunity to share their experiences. The group meets every second Friday of the month February to November. No meeting in December but in January of following year we have lunch at a restaurant and select Silo plays (the programme is not available till then).

Most members book for Auckland Theatre Company productions at the end of the previous year and for Silo productions in January, to make the most of early-bird prices. As a Group, we prefer to go to matinee performances if they are available.

If you enjoy live theatre, do come and join us.

## Architecture Group

Convenor: Shared between members.

Contact: Brian Murray

Phone : 021-02668396

Email: hap101dx@gmail.com

Meeting time: 9.45 – 11.30

Meeting Day: 3rd Tuesday of the month.

Venue: Deaf Centre , 16 Hillsborough Road

Kia ora!

This Architecture group operates on a shared leadership model. Each member takes a turn to facilitate a 90 minute session each month. Usually, the participants only organise ONE session a year. Support is always available.

The four very broad headings that participants choose a topic from, are ***International Architecture, NZ Architecture, Architects, and Elements of Architecture*** (materials, design, elevators, windows, landscape etc - whatever floats your boat). These 4 areas cover anything and everything!

No expertise is required. Most participants have little expertise but love design in relation to spaces and buildings and want to learn something from outside their comfort zone.

Participants might use their 90minute opportunity to invite speakers in, organise a visit to a site in Auckland or share a personal, local or overseas experience in a presentation. Google is a wonderful resource! Haere Mai!
